

Mongoose G6

Mid-range Gun Light

610 m

56 hr

Dual fuel

Ideal for:

Army

Navy

Police

Featured by the customized LED and lens of highest precision, G6 puts out a stunning beam with a range up to 610 m. Moreover, it also has enough surround light to accommodate peripheral vision.

-  Dual fuel light powered by either two 123A (3 V) lithium batteries and 3*AA (1.5 V) which is very common;
-  Two modes:100% full brightness and tactical strobe. Get it accurately by pushing the two buttons digital switch;
-  Assemble and disassemble on guns quickly & securely by the integrated Picatiny rail mount;
-  A sturdy aerospace-grade aluminum alloy housing with a HAIII military-grade hard-anodized finish that ensures rugged and reliable performance under extreme conditions.
