

Ultra Bright Scene Light – X250

16,000 lm
250 W
3,100 m

X250 is another scene light of MicroFire. Comparing to X750, it puts out a much tighter beam with longer range up to 3,100 m. Its light source power consumption is 250 w only which allows longer runtime when driven by the rechargeable bank.

The ultra-bright scene light series is ideal for law enforcement, military, riot control, border security, fire and rescue etc. It is also a might-have for mining outdoor field operations and other civilian industries.

Ideal for:

 Army

 Navy Police

Brightness	16,000 lm (as per ANSI/PLATO FL1-2016)
Range	3,100 m (as per ANSI/PLATO FL1-2016)
Modes	100% power; 10% -100% dimming; Strobe;
Beam divergence	6 °
Light source power consumption	250 W
Power Supply	12-28 V DC power; or Rechargeable battery bank
Runtime	2.5 hr (driven by MicroFire rechargeable battery bank)
Bezel square length	148 mm
Housing diameter	113 mm
Length	255 mm
Weight	2.8 kg (Light only)
Working temperature	-40 °C – 60 °C (as per U. S. MIL-STD-810G)
Water resistance	IPX7 (as per U. S. MIL-STD-810G)
Drop	1 m (as per U. S. MIL-STD-810G)
Standard accessories	Waterproof and shockproof carrying case
Optional accessories	Power supply cable; Signal cable; Connecting pad; Picatiny gun mount; Rechargeable battery bank; Folding mast
